As you can tell, work has begun on the installation of the new floor surface in the sanctuary. It will be a combination of ceramic and porcelain tiles of various colors and design; samples of two tiles to be installed are located in the back of church to satisfy your curiosity, and to whet your appetite. Also, we have been in contact with a carpenter to fabricate a new communion rail and to restore the pulpit. We hope to have drawings of the design in the coming weeks. Thank you all for your patience and support in this project for God's house! God bless and reward you!

For your convenience, you may follow the Mass via television in the church basement.
