**Fundraising Program for the Parish:**

Use your Notre Dame Federal Credit Union ELEVATE Credit or Debit card during the month of December and help us earn \$2,500 or more for our parish! We are blessed to partner with a credit union that supports our mission in so many ways. When you use an ELEVATE Card, Notre Dame FCU donates 1% cash back for every signed purchase (any time you don't use a PIN). But *this* December the benefit is even better! For every ten people who swipe their ELEVATE card just once between Dec. 1 and Dec. 31, Notre Dame FCU will donate \$2,500 to our parish in addition to the annual donation to be presented in the Spring of 2025! That's \$2,500 for every group of ten, with no cap on how many can be counted. So, if 20 people use their ELEVATE cards in December, that's a \$5,000 bonus. If 30 of us participate, that's \$7,500 - and so on! If you are already a Notre Dame FCU member, call today to ask about making your credit and/or debit card an ELEVATE card. It's no extra cost to you but will lead to many extra benefits for us! If you're not a member yet, please consider joining. Visit [NotreDameFCU.com/elevate](http://NotreDameFCU.com/elevate) to learn more or apply for your ELEVATE card online. Be sure to mention St. Stanislaus, Bishop and Martyr and use your new card at least once while shopping this December.

**Plenary Indulgence: At the Point of Death**

*Manual of Indulgences*, No. 12 :

§2 If a priest is unavailable, Holy Mother Church benevolently grants to the Christian faithful, who are duly disposed, a *plenary indulgence* to be acquired at the point of death, provided they have been in the habit of reciting some prayers during their lifetime; in such a case, the Church supplies for the three conditions ordinarily required for a plenary indulgence.

§3 In this latter case, the use of a crucifix or a cross in obtaining the plenary indulgence is commendable.

§4 The faithful can obtain this plenary indulgence at the hour of death, even if they have already acquired a plenary indulgence on that same day.

**Book Recommendation: The Power of Reparation**

In this spiritual masterpiece, Fr. Raoul Plus explains every facet of reparation for individual penitents and offers simple, practical ways you can help repair what is falling into ruins in our Church and in our world. You will find inspiring answers to all the key questions about reparation, including:

- What reparation is and why it matters
- Why everyone should make reparation
- How reparation should be made (and what to avoid!)
- Why devotion to the Sacred Heart and the Eucharist is vital to reparation
- Why our Lord wants reparation to be the foundation of Christian living

This work is replete with compelling anecdotes that illustrate how developing a spirit of reparation is critical to advancing spiritually. Fr. Plus provides rich insights and examples from our Lady and the saints.

You will learn the theology behind reparation and how to teach it to others. You will also learn how to develop a spirit of reparation according to the circumstances of your life, and how to discern the types of reparation most suitable for you; it is your *complete* guide to the nature and practice of reparation.
